## TERMS AND CONDITIONS

1. **Net Asset Value (NAV):** Prices are calculated on a NAV basis, which is the total value of all assets in the Portfolio including any income accrual and less any permissible deductions from the Portfolio divided by the number of participatory interests in issue. Permissible deductions include brokerage, Securities Transfer Tax, auditor's fees, bank charges, trustee/custodian fees and the service charge levied by the Manager.

2. **Initial Financial Adviser Charges:** The initial Financial Adviser charge is deducted from the full investment value and the remaining amount is allocated to the selected investment options. Any additional investment will incur an initial Financial Adviser charge. The charge is set at a maximum of 3.00% (excluding VAT) of investments made in the equity portfolios and the asset allocation portfolios, and may range from 0.60% to 1.80% (excluding VAT) in the fixed-interest portfolios.

3. **Service Charge (levied monthly incl. VAT):** The service charge for the individual portfolios is accrued daily and levied monthly on the market value of the portfolio. Please refer to the latest fact sheet(s) for more details. The service charge is normally deducted from the income received by the portfolios.

4. **Total Expense Ratio:** The Total Expense Ratio (TER) of a portfolio is a measure of the portfolio's assets that were relinquished as operating costs expressed as a percentage of the daily average value of the portfolio calculated over a period of usually a financial year. Typical expenses which are deducted from a portfolio include service charges, trustee fees and audit fees. The TERs can be located on the Fact Sheets.

5. **Electronic Transactions:** the Client agrees that STANLIB shall be entitled to implement all instructions and applications of whatever nature received on their Internet site, by telephone or any other electronic medium and which appear to emanate from the Client. The Financial Adviser and/or Manager is indemnified against any losses, claims or damages arising from acting on such instructions and/or applications, notwithstanding that it may later be proved that any such instruction was not given by the Client. The Client agrees that the electronic records of all instructions and applications processed by/or on behalf of him/her or which purport to be processed on behalf of the Client via STANLIB's Internet site, telephone or any other electronic medium shall constitute prima facie proof of the contents of such instructions and applications.
