Payments to third-party bank accounts are not allowed. Payments can only be paid into an account in the name of the investor.

E-trade refers to the electronic portal designed to provide Investors with a service to actively manage their portfolios and instruct trades at their discretion. Transactions are executable with a computer or smartphone device and are made quickly with no paperwork required. Typically the user will login to the STANLIB Online website and process transactions on their portfolios. **These transactions can be additional investments, switches, redemptions and regular cash flow plans (CFPs).** This service is appealing to investors as it allows more control and easier transactability over their portfolios. "You may want to link to E-trade so that you can always get a trade in quickly when you need to".

TERMS AND CONDITIONS

1. **Net Asset Value (NAV):** Prices are calculated on a NAV basis, which is the total value of all assets in the Portfolio including any income accrual and less any permissible deductions from the Portfolio divided by the number of participatory interests in issue. Permissible deductions include brokerage, Securities Transfer Tax, auditor's fees, bank charges, trustee/custodian fees and the service charge levied by the Manager.
2. **Initial Financial Adviser Charges:** The initial Financial Adviser charge is deducted from the full investment value and the remaining amount is allocated to the selected investment options. Any additional investment will incur an initial Financial Adviser charge. The charge is set at a maximum of 3.00% (excluding VAT) of investments made in the equity portfolios and the asset allocation portfolios, and may range from 0.60% to 1.80% (excluding VAT) in the fixed-interest portfolios.
3. **Service Charge (levied monthly incl. VAT):** The service charge for the individual portfolios is accrued daily and levied monthly on the market value of the portfolio. Please refer to the latest fact sheet(s) for more details. The service charge is normally deducted from the income received by the portfolios.
4. **Total Expense Ratio:** The Total Expense Ratio (TER) of a portfolio is a measure of the portfolio's assets that were relinquished as operating costs expressed as a percentage of the daily average value of the portfolio calculated over a period of usually a financial year. Typical expenses which are deducted from a portfolio include service charges, trustee fees and audit fees. The TERs can be located on the Fact Sheets.
5. **Overnight Interest Allocation:** Interest earned by STANLIB in its bank account (subscription) on deposits made by you will be added to the investment amount if it takes longer than 1 Business Day, after the receipt of the deposit and/or the fulfilment of any outstanding requirements, to process the transaction. Deposits made on a non-business day (i.e. public holidays, Saturdays and Sundays) will also not attract any interest.
6. **Electronic Transactions:** the Client agrees that the Manager shall be entitled to implement all instructions and applications of whatever nature received on their Internet site, by telephone or any other electronic medium and which appear to emanate from the Client. The Manager and/or Financial Adviser is indemnified against any losses, claims or damages arising from acting on such instructions and/or applications, notwithstanding that it may later be proved that any such instruction was not given by the Client. The Client agrees that the electronic records of all instructions and applications processed by/or on behalf of him/her or which purport to be processed on behalf of the Client via the Manager's Internet site, telephone or any other electronic medium shall constitute prima facie proof of the contents of such instructions and applications. STANLIB will not be held responsible for any failure, malfunction or delay of any networks, electronic or mechanical device or any other form of communication used in the submission, acceptance and processing of applications and/or transactions. STANLIB will not be liable to make good or compensate any investor or third party for any damages, losses, claims or expenses resulting there from.
7. **Switching:** A "switch" involves selling participatory interests (units) in one portfolio and investing the proceeds in another portfolio. The Manager does not normally charge initial Financial Adviser charges twice, other than in the instance where the original entry was into a portfolio with lower charges than the portfolio into which the Client will be investing. Accordingly, the Client will have to pay in the difference in the initial Financial Adviser charges. However, the Client and the Financial Adviser may agree on a different arrangement to that mentioned above, in which case an initial Financial Adviser charge as agreed, between the Client and the Financial Adviser, will be charged on the switch transaction. As costs may change from time to time, please consult with your authorised Financial Adviser. **STANLIB monitors account patterns of transactions for practices such as but not limited to market timing where an investor purchases and sells units within a short time period to take advantage of limitations in determining the net asset value of the funds. STANLIB reserves the right to delay or reject such transactions where investors engage in such practices in order to protect and ensure equitable treatment of all investors in the fund.**
8. **General**
 - 8.1. Collective investment schemes in securities are generally medium to long term investments
 - 8.2. The value of participatory interests may go down as well as up and past performance is not necessarily a guide to the future.

 - 8.4. Where exit charges are applicable, participatory interests are redeemed at the net asset value where after the exit charge is deducted and the balance is paid to the Client.
 - 8.5. A Portfolio of a collective investment scheme in securities may borrow up to 10% of the market value of the Portfolio to bridge insufficient liquidity as a result of the redemption of participatory interests, and may also engage in scrip lending.
 - 8.6. Where different classes of participatory interests apply to certain Portfolios, they would be subject to different charges.

- 8.7. A schedule of charges and maximum charges is available on request from the Manager. Commission and incentives may be paid and if so, would be included in the overall costs. Ongoing commission may be paid to Financial Advisers. Such ongoing commission, if applicable, will be paid by the Manager from the service charge paid to it. Details of such ongoing commission paid by the Manager to the Financial Adviser on record in respect of your investment are available on request from the Manager.
- 8.8. The exposure limit to a single security in certain Portfolios can be greater than is permitted for other Portfolios in terms of the Collective Investment Schemes Control Act, 2002. Details are available from the Manager.
- 8.9. A Fund of Funds Portfolio only invests in other portfolios of collective investment schemes, which levy their own charges, which could result in a higher cost structure for these portfolios.
- 8.10. A Feeder Fund Portfolio only invests in the participatory interests (units) of a single portfolio of a collective investment scheme, apart from assets in liquid form.
- 8.11. The Manager reserves the right to close certain Portfolios from time to time in order to manage them more efficiently. More details are available from the Manager.
- 8.12. The holdings of offshore investments in certain Portfolios are subject to current South African Reserve Bank Regulations.
- 8.13. Forward pricing is used.
- 8.14. Fluctuations or movements in exchange rates may cause the value of underlying offshore investments to go up or down.

- 8.16. Payment will be made within 7 days of receipt of a valid repurchase form or regular income request. Please note that there is a 21-day clearance period for cheques and direct deposits, a 60-day clearance period for once off and recurring debit orders. A maximum of R36,000.00 can be collected as a once off debit transaction.
- 8.17. All portfolios are valued daily at 15h00, except for fund of funds which are valued at 24h00. For non-money market funds, investments and repurchases will receive the price of the same day if a complete instruction is received prior to 15h00.
- 8.18. All portfolios are valued daily at 15h00, except for fund of funds which are valued at 24h00. - 8.19. The Client confirms that neither the Manager nor any of its staff provided any advice and that the Client has taken particular care to consider whether the investment is appropriate considering the unique investment objectives, financial situation and particular needs.
- 8.20. All bank accounts supplied for the duration of this investment will be verified with the relevant banks prior to the investment being placed.
- 8.21. Conflicts of interest disclosure: the Manager shall, wherever possible avoid situations causing a conflict of interest. Where it is not possible to avoid such conflict: the Manager shall advise the Client, of such conflict in writing at the earliest reasonable opportunity and shall mitigate the conflict of interest in accordance with its Conflict of Interest Management Policy. A copy of this Policy is available on the STANLIB website. The Manager is part of the Standard Bank Group of companies and both the Liberty Agency and SBFC financial Advisers are permitted to sell various STANLIB Collective Investments (RF) Proprietary Limited products. The Client may at any time terminate the Financial Adviser's appointment. It is the Client's responsibility to advise the Manager of such termination in writing. Upon receipt of such notification The Manager will cease payment of any further service charge to the Financial Adviser. However the client understands that this will not result in a lower annual service charge as the full service charge will now be paid to the Manager.
- 8.22. No repurchases may be made into the bank account of a third party. Where the client is a minor repurchases may only be made into a bank account in the minor's name.
- 8.23. If the Manager receives a deposit and cannot identify the client within 30 days of deposit, an instruction will be sent to the bank, to return the monies to the bank account where the funds were received from.
9. **FICA:** The Client agrees to provide all documentation and information required in terms of the Financial Intelligence Centre Act, No. 38 of 2001, and understands that the Manager is prohibited from processing any transactions on the Client's behalf until all such documentation and information has been received unless the FICA submission and declaration has been completed by the Financial Adviser.
