TERMS AND CONDITIONS

- The Terms and Conditions applicable to the investment continue to apply. You can request a copy of the Terms and Conditions from your Financial Adviser or the Contact Centre on 0860 123 003. This Notice only applies to a security cession and not an absolute cession.
- The Parties agree that this form is not a deed of cession, but merely a request by the cedent and cessionary for STANLIB to note a cession as previously agreed between the Parties.
- STANLIB is not a party to the deed of cession between the cedent and the cessionary and does not ask for or keep copies of the cession agreement.
- STANLIB will not interpret the deed of cession between the cedent and the cessionary and bears no responsibility for the validity, enforceability or any other matter arising from the cession.
- STANLIB will only note this cession once the cedent and the cessionary have completed and signed this form and returned it to STANLIB.
- STANLIB notes a security cession by restricting the cedent from transacting on the ceded units.
- As long as the cession remains in force, the cedent may not withdraw, transfer or switch the ceded units without written consent from the cessionary. If the cessionary agrees to a transaction, the cedent and cessionary will need to complete the documents required by STANLIB for the transaction to be processed.
- Should the cessionary request that the ceded units be withdrawn, STANLIB is obliged to sell the ceded units and pay the cessionary the amount required under this cession.
- STANLIB may provide any information about the ceded portion of the investment to the cessionary.
- STANLIB requires written consent from the cessionary to remove the note of cession from the investment.
- If the cedent is a Trust, Company, Close Corporation, other juristic person or natural person acting for the cedent, the signatory must submit written proof of this authority to effect this cession.
- Where the cedent is a natural person, the cedent may not be:
 - Insolvent.
 - Sequestered, or in the process of being sequestered.
 - Prohibited from ceding this investment in any way.
- Where the cedent is a juristic person, the cedent may not be:
 - Under, or in the process of being placed under, judicial administration.
 - Liquidated or in the process of being liquidated.
 - Prohibited from ceding this investment in any way.
- This investment may not be ceded if it is already subject to a cession in favour of any other party.
- STANLIB does not take any responsibility for and is indemnified against, any loss or damages suffered by any party, due to any breach of these Terms and Conditions and/or STANLIB acting in accordance with this Notice.
- The Parties understand that all material facts must be accurately and properly disclosed and the accuracy and completeness of all information provided by or on behalf of the Parties, is the responsibility of each Party. The Parties understand that no FSP may request them to sign any written or printed form or document unless all details required to be inserted thereon by the Parties or on behalf of the Parties have already been inserted.
- Please forward certified/verified copies of business requirement documents if not already on file.
- The cessionary agrees to provide all documentation and information required in terms of the Financial Intelligence Centre Act, No. 38 of 2001, and understands that STANLIB is prohibited from processing transactions on the cessionary's behalf until all such documentation and information has been received. (Access the STANLIB website on www.stanlib.com to view the applicable FICA requirements).

The Financial Adviser and/or STANLIB is indemnified against any losses, claims or damages arising from acting on such instructions and/or applications, notwithstanding that it may later be proved that any such instruction was not given by the cessionary. The cessionary agrees that the electronic records of all instructions and applications processed by/or on its behalf or which purport to be processed on behalf of the cessionary via STANLIB's Internet site, telephone or any other electronic medium shall constitute prima facie proof of the contents of such instructions and applications.
